Statement of Calling and Ministry Commitment:

In 1972, I placed my faith in Jesus Christ and was baptized at the age of seven. From that day forward I have never known a time when I have not sensed God's leading and presence in my life. When I was a teenager, God unmistakably called me to serve Him in full time ministry. I remember the night I fell on my knees at an altar in response to His calling and prayed fervently, "Lord, I'll do whatever You want me to do and I'll go wherever You want me to go."

And God has pretty much held me to that. In fact, He's had me "doing" and "going" quite a bit over the years. I'm thankful for the wide variety of ministry opportunities that I've enjoyed because they have provided me with a valuable understanding of Church life, a heart for people, and insight into connecting with the unchurched.

Today more than ever, with a commitment to the "Great Commandment" (Matthew 28:37-40) and the "Great Commission," (Matthew 28:19-20) my desire is to develop more, stronger and closer followers of Jesus Christ.

Of course, a résumé is just a starting point of conversation. I look forward to talking with you about how we can partner together to reach more people with the Gospel and lead them to know and do the Word while helping them to grow closer to God and each other!

To the finish line,
